

PRINTING INSTRUCTIONS

DIY PRINTING

- 1 Load 8.5x11-inch paper.
- 2 Select these printing options:
 - Portrait
 - Color
 - Double-sided
 - Flip on long side
- 3 If there is an option to minimize borders or to print to the edge, select that option.
- 4 Do a test print. Make any needed adjustments. Start printing your pocket guides!

PRINTSHOP

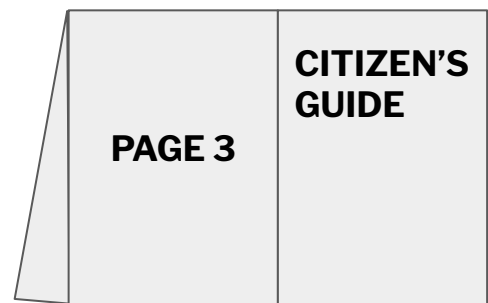

Request double-sided color prints on 8.5x11-inch paper with a portrait orientation and flipped on the long side.

FOLDING INSTRUCTIONS

2

Fold the sheet in half again, so page 3 is at the back and the cover is right-side up and facing you.

FOLD HERE

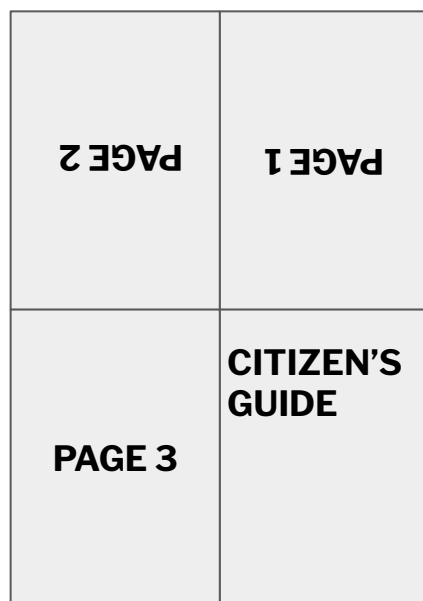

1

FOLD HERE ►

Fold in half. Then hold the paper so the Citizen's Guide cover is right-side up and facing you.
