List Speak: Strategies and Resources for Communicating About List Maintenance Practices

The Elections Group hosts a webinar to help election officials with “list speak” or talking to voters and non-election officials about voter list maintenance, including why it’s important, how it’s done and why it can take time. The panelists offer tips and discuss strategies and resources for communicating about how election officials keep voter lists accurate and updated, including a set of new communications resources:

- [Voter Registration and Voter List Updates: A Primer](#) [template]
- [Data Visualization Basics for Election Administrators](#)
- [Voter Registration & Voter List Updates: How It Works Series](#) slide with script [template]
- [Voter Eligibility and U.S. Citizenship fact sheet](#) [template]
