Election Resource Roundup â?? Week 4

Welcome to The Elections Groupâ??s Election Resource Roundup, a weekly Monday webinar showcasing resources for election officials from its library of resources and other organizations. Until November, our team of experts will follow the election calendar and share information on resources that election officials could incorporate immediately into their operations. This fourth episode in the series focuses on GIS and mapping resources and tools.

Featured Resources:

[Mapping Voting Locations with Google Maps](#)

[Geo-Enabling Elections â?? Strengthening election systems with GIS course](#)
