Accelerating Excellence Conversation: North Carolina Election Officials

North Carolina's nationally recognized Help Us Be Successful (H.U.B.S.) program provides a collaborative environment for the state's election officials to identify best practices and work through shared issues.

The Elections Group's Chief Operating Officer Chris Piper led the conversation and was joined by North Carolina State Board of Elections Executive Director Karen Bell, Brunswick County Assistant Deputy Director Adrienne Rushton, and Tiffany Holden, the Candidacy and Canvass Program Specialist for the North Carolina State Board of Elections.
